

Ralf Grüßhaber Chief Financial Officer (CFO)

Ralf Gruesshaber (41) is active as CFO of telegate AG since January 01, 2004. He already managed the sectors Finance and Controlling of the company since 2001.

Ralf Gruesshaber studied in Offenburg and London. After his graduation as Diplom-Betriebswirt (FH) (master's degree in business economics), he started his professional career with Hewlett-Packard GmbH, Boeblingen, as Financial Analyst in 1995.

He crossed for the group to Grenoble, France, in 1997. He initially assumed as Pricing Manager the price setting throughout Europe within the HP-business sectors.

Gruesshaber subsequently participated in an extensive restructuring programme where the service and support business of the individual European countries was centralised.

Ralf Gruesshaber was responsible for all fiscal, legal and EDP-technical subprojects. He managed the European finance sector of the business unit HP Services Storage, Grenoble, afterwards until his cross to telegate AG in 2001.
